

Technology Solutions

Providing advanced control and information system solutions for automation of industrial equipment and processes.

Certifications & Licensing

- **CSiA** - Control Systems Integrator
- **RcSI** - Certified Rockwell Systems Integrator
- **Wonderware** Systems Integrator
- **UL** - Underwriters Laboratories
- **DBIA** - Design-Build Institute of America
- **BICSI** - International Standards
- **RCDD** - Registered Communications Distribution Designer
- **GROL** - General Radio Operators License
- **C-7, C-10, C-12, C-61/D42, A, B** (CA Lic. 1041913)

About A-C Technology Solutions

- **Division of A-C Electric Company**, founded in 1945
- **Safety EMR of .67**
- **Safety Award of Excellence**, Associated General Contractors, 2017
- **Gold Medal**, Specialty Construction Safety Award, Raffles Insurance, LTD., 2017
- **Ranked #12** Electrical Contractor in California, *Engineering News-Record*, 2018
- **#114 Electrical Contractor in the U.S.**, *Engineering News-Record*, 2018

Contact us today to serve as your single-source provider addressing all of your industrial, process and building automation, network, and infrastructure needs.

Expertise

A-C Technology Solutions has the unique ability to provide turnkey solutions including control system design and engineering, system integrations, fabrication, construction, extensive post-installation support, and 24/7 service.

PAC & PLC Programming

Utilizing the latest platforms from Allen-Bradley, Modicon, GE, Siemens, SCADAPack, Opto22, Automation Direct and more.

HMI & Database Development

Customized, Human Machine Interface systems and reporting to meet our most challenging needs with intuitive icon navigation that can be accessed from a smart-phone or tablet. A-C Technology Solutions has fostered close relationships with the industry's top platform providers including: Rockwell, Wonderware, MSSQL, Citect, WinCC Flexible, and Sybase SQL.

Industrial Communications Design & Installation

Including system installation, configuration, and certified testing on all levels of data cabling, fiber, and wireless communications.

Panel Fabrication

Design, fabrication, and installation of custom industrial control panels for applicable environments. A-C Technology Solutions is Underwriters Laboratories Certified 508A and 698A.

Electrical Construction

Specializing in electrical construction for California's largest industries, A-C Technology Solutions is experienced in conduit, wire, and data cable installation, and termination from limited energy to 115kV, including overhead lines.

Technical Services

- Skilled 24/7 field services
- Troubleshooting motor controls including AC & DC drives, and startup service
- Power monitoring, PLC/PAC, and HMI troubleshooting
- Electrical meter installation and service - California UC Certified
- Instrumentation calibration - Department of Weights and Measures Certified
- DOT operator qualified pipeline personnel.
